

## Placement cell 2018-19

Placement plays very eminent role in the lives of Students and Placement society has always played an immensely crucial role in facilitating it. Amidst uncertain environment, society makes sure to assist its students to create an edge and plays vital role to connect students with corporates.

The session 2018-19 made sure that students are provided with opportunities in all different domains including Banking, Finance, Sales, Marketing, Consultancy, IT, Education etc. Since we have students from all different backgrounds of commerce and Arts, Such different profiles allowed them to choose from their area of interest.

As many as 400 students registered themselves for the placement and internship drive.

Also, The Flagship event, first ever internship fair was organized along with the third edition of its annual Jon fair, titled “Embarkation 2019” that hosted multiple companies. The event was the grand success as it more than 300 students of various colleges and courses exploited the opportunity and were also placed at companies like SMC Insurance, Genpact, Skill Development council of India and Red Carpet to name few.
